

2011 Advanced Camp: June 27 - July 1

For the horse show rider who wants to learn more!
Monday-Friday 9:00 am to 3:00 pm
Ages 12+ Cost: \$350

This camp is available for current Lenux riders who participate (or would like to participate) in horse shows. Campers will receive a riding lesson each day from a professional riding instructor and learn about horse care, training the American Saddlebred Show Horse and how to show the horse.

Our wonderful veterinarian, Dr. Jimmy Reber will host a session with campers. Campers will put this knowledge to work throughout the week as they practice their veterinary skills and learn to take care of their four legged friends. Campers will enjoy learning about farm operations and maintenance, and will of course take time out to make crafts, play games and play in the inflatable water playground.

On the last two days of Advanced Camp, campers will get to go to the Charlotte Charity Horse Show. During the show, campers will have the opportunity to speak with horse show professionals including judges, farrier and show manager. They will also learn how to prepare and maintain show horses and experience a ride each day in the horse show arena. This behind the scenes look at horse shows is great experience.
